Puttappa alias Venkatagiriappa of Mattodu, Holalkere Taluk.		1. Shamanna 2. Chennappa 3. Timmaiya 4. Puttanna.

~~Decision.~~

Facts of the case — The question for consideration is how best the Shanbhogi of the 25 villages of the late Mattod Firka of the Chitaldrug District may be apportioned among 3 Sharers in pursuance of the Judgment of the Deputy Commissioner of Chitaldrug dated 9th December 1890.

The villages are at present arranged and enjoyed as

as shown in the margin according to the Pakka Potagi Settlement. Villages 16, 17 and 18 are in the Hiriyur Taluk and the others in the Hosadrug Sub Taluk of the Holalkere Taluk.

The persons repre-senting the three shares are:—

Plaintiff— 1 Share
1st & 3d Defts 1 "
4th & 2d Defts 1 "

The Deputy Com-missioner suggests the following re-arrange-ment in accordance with the proposal originally made by the Survey Superin-tendent in his letters Nos 380 and 669 dated 12 August 1892 and 25th November 1892 respectively

Villages the Shanbhogi of which is in dispute	Present holder	Potagi Rs	a	p
1. Mattodu	Thamanna 1st Deft	44	4	
2. Tippanhalli				
3. Gondihalli				
4. Dalvaihalli

23. Jogamanhalli

25. Kacharavara.				

respectively:—

I. One group comprising 9 villages viz: 1, 2, 3, 4, 7, 12, 13, 14 and 15 with a Potagi allowance of Rs 46-8-0

II. Two groups comprising 6 villages viz
(1). 5, 6 and 19 in Hosadrug Sub Taluk with a Potagi of Rs. 11-4-0
(2) 16, 17 and 18 in Hiriyur Taluk with a Potagi of Rs 31-12-0
Total 43-0-0

III. One group comprising 10 villages, viz: 8, 9, 10, 11, 20, 21, 22, 23, 24 and 25 with a Potagi of Rupees 48-12-0.

~~As observed by~~ the Deputy Commissioner, states that an arrangement by which each can get an exact one-third of the Potagi amount, viz: Rs 46-1-4, cannot be made, and the difference between that amount and what each sharer would get if he took any one of the aforesaid three circles

circles is inconsiderable!

The parties who were present at the hearing on 24th August 1893, viz. the Plaintiff and the 2nd and 4th Defendants, were informed of the arrangement proposed by the Deputy Commissioner and were allowed time to state if they would agree to it.

The Plaintiff asks for the 3d circle which comprises the 5 villages of which he is already in possession, 3 villages in the possession of 3d Defendant and 1 in the possession of the 4th Defendant.

The 4th Defendant on behalf of himself and his son the 2nd Defendant asks for the 1st Circle, which comprises 4 out of the 9 villages of which they are now in possession, and 5 out of the 10 villages in the possession of the 1st and 3d Defendants.

Both the Plaintiff and the 4th Defendant urge that they cannot look after the 2nd circle which consists

of two groups of villages situated in different Taluks, because the Plaintiff is single handed and the 4th Defendants son the 2nd Defendant is yet a minor.

The 1st Defendant represented as a ground for not appearing at the hearing that he was not well. His brother the 3d Defendant Timmia is dead. The latter's widow named Sankramma has submitted a petition praying that her name may be registered for a Firka in lieu of the Hagalkere Firka which her husband held.

Decision.

The Plaintiff and 4th Defendant having agreed, the former to take charge of the groups of villages forming the 3d circle and the latter to do the duties connected with the villages comprising the 1st Circle, the Deputy Commissioner will be requested to arrange for the 1st Defendant

Defendant, who is exparte, and the legal representative of the deceased 3d Defendant being put in charge of the 2d Circle.

that there were evidently written by the Plaintiff a day after voluntarily according to the arrangement detailed in the deposition of the 2nd Instant. The Plaintiff is very unreasonable. Not only did he endeavour for a long time to gain an unfair advantage over his Coshareers but he has also now sent up petitions virtually repudiating an equitable distribution to which he deliberately assented so recently as on the 2nd Instant. His contention seems clearly inadmissible.

Memo

The parties have now come to terms. The arrangement to which they have consented, has been embodied in detail in the joint deposition given and signed by them on the 2nd instant Briefly stated that arrangement is as follows:-

Of the five Jirkas as mentioned in the Government decision, No. 5 has to be registered in the name of the Plaintiff, No. 2 in that of the 3rd defendants widow Lenkavamma, No. 3 in that of the 4th Defendant and No. 4 (Villages Nos. 16, 17 & 18 only) in that of the 2nd Defendant. Village No. 19 has already been transferred from the 4th to the 3rd Jirka and consequently goes to the 4th defdt. So far, there is no deviation from the Jirkas as already constituted by the Survey Department. No. 1 is the only Jirka which requires a somewhat different treatment. Of the 5 villages included in this Jirka, No. 1 (Mathoda) is proposed to be registered in the name of the 1st defendant and the other four in that of the Plaintiff in

Suit No. 167 of 13-14

in addition to the whole of Jirkas Nos 5.
This slight alteration is not likely
to lead to any practical or ad-
-ministrative inconvenience and
may therefore in my opinion be
sanctioned. Each party agrees
to discharge the duties of Shambhog
of the Jirkas allotted to him by the
said arrangement. As regards
the 'Potige' allowance, the parties
are willing to divide among them-
-selves in three equal shares, the
total income accruing from all
the Jirkas put together.

2. I beg to adhere to the opinion
already expressed by me that the
distribution sanctioned in the order
passed by Government is not
equitable. This is evident from
the statements taken from the parties
and submitted with my docket
No 427/366 dated 17th December 1893.
The arrangement now proposed
by the parties themselves including
the Plaintiff, is a more equitable one,
and gives each party what he is
fairly entitled to without necessitating
any radical alteration of the
existing Jirkas. I am accordingly

in

in favor of its being sanctioned
in supersession of the distribution
already ordered by Government

Correspondence ending with letter No. 513 dated 7th September 1895 from the Superintendent Revenue Survey on the subject of the redistribution of the Mattod Firka of the Chitaldrug District, with reference to the decision of the Deputy Commissioner of Chitaldrug in Revenue Suit No 6 of 1890-91 awarding one-third share therein to Plaintiff Puttappa.

ment sanctioned a re-distribution of the Firkas as specified in the accompanying list marked A, which was in accordance with the original suggestion of the Superintendent Revenue Survey and the recommendation of the Dy Commissioner. But the 1st defendant Shivamma

having applied for a reconsi-
deration of the order,
further enquiry was ordered,
and the Deputy Commr., after
examining all the parties,
reported that the arrangement
sanctioned upon his recom-
mendation was not equitable,
inasmuch as the 1st defendant
would, under it, get a Tarka
which was admittedly inferior
to other Tarkas, and the Plaintiff
would derive an unfair
advantage over the other
sharers. Subsequently an
arrangement was proposed
by the Defendants which had
not the approval of the Supte
Rev: Survey. The Deputy
Commissioner was then asked
to propose other arrangements
without disturbing the formation
of the Tarkas originally made
or of those since revised by
the Supte Revenue Survey
and sanctioned by Government.
He has accordingly proposed
a redistribution as per
particulars specified in list B

Supt^te has no objection.
This arrangement does not
interfere with the constitution
of Firkas as originally made
by the Survey Dep^tt except
in regard to the Mathod
Firka, which consists of 5
villages, and which it is
proposed to break up —
the village of Mathod alone
being formed into a Firka
and the remaining four
villages added to the Kapgere
Firka.

2. The Government are
pleased to sanction the re-
distribution of Firkas now
proposed as per statement
B, and direct that the Potiyi
attached to the Mathod
and Kapgere Firkas be
revised with reference to the
alterations made in respect
of them.
